

Curious

- Tell me... why are you a Christian?
- Why would Christianity benefit me? What do I have to gain right now, in this life?
- Will Christianity make me *happy*?
- God has never answered my prayers. Why would he start now?
- What does sin/gospel/redemption mean, exactly? No Churchese, please.
- What actual difference has God made in your day-to-day life?

Ready

- You know, I'm really interested in joining Christianity.... I just don't know where to start.
- What do I need to do to be saved?

Educated

- I don't believe in miracles... They just can't exist within our natural laws.
- Do you think the other world religions have truth in them? Or do you think you Christians have a monopoly on truth?
- What crime could possibly warrant an eternal, never-ending punishment?
- Is there any amount of evidence someone could give you that would cause you to leave the faith?

Ignorant

- I'm young and I got my whole life ahead of me... Why should I think about religion now?

Hostile

- What had God ever done for you?
- If Jesus were alive today, do you think he'd be a Republican?
- If you Christians are all about "loving your neighbor," why have all the Christians in my life been so hurtful to me?
- Christians are self-righteous pricks.
- Only weak people need God.

Vulnerable

- My brother died a horrible death in a car crash... he was only 26 years old, he loved his family, and he had so much potential... I've been depressed ever since his death. What do I do?
